

Quicken Instructions

As Middlesex Savings Bank completes its technology update, you will need to modify your Quicken settings to ensure that your data connectivity transfers smoothly to the new system. This document contains instructions for both Windows and Mac.

These instructions refer to two “Action Dates.”

IMPORTANT: Express Web Connect will not be available until 5 business days after the 2nd Action Date, so please utilize another connectivity type if you need transaction updates during this downtime. There is no delay for Web Connect.

Instructions for One-Step Update initiated from within Quicken can be found below:

Quicken Express Web Connect
